Dixie Carroll and Polly Mc-Larry Only Tribesmen in Select Circle-Al Ellis, of Barons, Still Leads League.

The 300 hitters are getting scarce in the Southern association. There are only seven players hitting in the "select" class among the regulars who have participated in 50 or more games, according to averages, including Vedenesday's games, released today. The league continues to be topped by Ellis, of Birmingham, with an average of 345, with Harper, Little Rock, the runner-up, with 338, and Carroll, of Memphis, third with 331.

E. Miller, of Little Rock, failed to add to his home run recerd for the week, but his 18 still gives him the lead by a big margin over Griffin, of Memphis, who has bagged nine.

There is a merry race for stolen base honers, with Carroll, of Memphis, out in front with 36 thefts, while Harper, of Little Rock, has 28 and Gleason, Chattanooga, 25. The 300 hitters are gelting scaro

He is an experienced pitcher who had several seasons in the Texas league before the war. As far back as 1915 he won 11 games and lost 2 for Shreveport, and the following year he pitched or helped to pitch 54 games for the same citch, winning 22 and losing 17.

Fug Griffin, who puts more muscle belind his punch than any man in the league except possibly Bing Miller, got in a terrific blow in this game. He hit the ball-over the left field fence almost on a line drive. It was the blow that spelled fins for Phillips.

## CHAPMAN'S ERROR IS FATAL TO INDIANS

CLEVELAND. Aug. 7.—Philadelphia defeated Cleveland in 10 innings yesterday, 2 to 1, cooring the winning run on a single by Pugan, a sacrifice by Shannon and a single by Perkins. Both Rommell and Coveleskie pitched great ball. Coveleskie would have had a shutout to his credit but for an error by Chapman in the ninth, which let in the tying run. Rommell, who allowed but three hits in eight innings, retired in favor of a pinch hitter.
